ANOTHER MOONLIGHT SCHEDULE PROBABLE
 Although the special committee on street lighting failed to decide fully on the recommendation to be made to the council at its meeting yesterday, the body is expected to have completed a report by the time the council is called to order tonight at an adjourned session. It is hinted that a form of moonlight schedule will be advocated, with such extension of service as will result in material improvement in the lighting.

10 CENT "CASCARETS" STRAIGHTEN YOU UP
 No Sick Headache, Bilious Stomach, Costed Tongue or Constipated Bowels By Morning.
 Get a 10-cent box now.
 When the trouble starts—the headache, biliousness, indigestion, the sick, sour stomach and foul gases—turn them out to-night and keep them out with Cascarets.
 Millions of men and women take a Cascaret now and then and never knew the misery caused by a lazy liver, clogged bowels or an upset stomach.
 Don't put in another day of distress. Let Cascarets cleanse your stomach; remove the sour, fermenting food; ease the excess bile from your liver and carry out all the constipated waste matter and poison in the bowels. Then you will feel great.
 A Cascaret instills straightness, you get up by morning. They work while you sleep. A 10-cent box from any drug store means a clear head, sweet stomach and clean, healthy liver and bowel action for months. Children love Cascarets because they never gripe or sicken.

Men Who Bring Their Wives With Them
 The men's clothes store that isn't quite sure of its values isn't overly anxious to have men bring their wives with them on purchasing expeditions.
 We like nothing better than to have the "better half" come in and look over what is offered here.
 This applies particularly to **STEIN-BLOCH SMART CLOTHES** for men who are smart enough to let their wives help make the dollars count. Our experience is that about nine times out of ten, these wives choose Stein-Bloch clothes the first time. And about ten times out of ten "hubby" is entranced with making a similar choice the time following.
 The best thing about Stein-Bloch customers is that they stick.
